### **Services and other Events in May** **Trinity Episcopal Church** **Safety Guidelines for the Congregation in** **Worship**

- **Face masks: All may, some should, none must.** It is an individual's choice as to wearing a face mask and there are different comfort levels with being around others with or without a mask. **Some persons should wear a mask - those who are not vaccinated and children under the age of 12.** None must wear a mask but as Bishop Skirving wisely notes, ". . .we can certainly hope that those who should wear a face mask, will do so!
- If you have been fully vaccinated and you choose to; you do not need to wear a mask.
- If you come to worship and would be more comfortable viewing the service from the Undercroft, **we are happy to bring communion to you there just as we do for those in the nursery.**

- We are allowed to sing again and there will be hymns and congregational singing!
- Be gentle with each other passing the peace; we are all navigating in new waters, so to speak, so some persons may still wish to bump elbows, gently bow, while some will simply touch hands. These are individual choices which are cued through body language.
- You may sit where you choose. There are no longer limitations on capacity or requirements for social distancing.

### **News and Announcements:**

- The sacrament of anointing and the laying-on of hands is available following Holy Communion upon request. Please let Stephen Batten or one of the ushers know.
