Worship Services and Vestry

Trinity Episcopal Church

Safety Guidelines for the Congregation in Worship

- **Face masks: All may, some should, none must.** It is an individual's choice as to wearing a face mask and there are different comfort levels with being around others with or without a mask. **Some persons should wear a mask - those who are not vaccinated and children under the age of 12.** None

must wear a mask but as Bishop Skirving wisely notes, ". . .we can certainly hope that **those who should wear a face mask, will do so!**

- If you have been fully vaccinated and you choose to; you do not need to wear a mask.
- If you come to worship and would be more comfortable viewing the service from the Undercroft, **we are happy to bring communion to you there just as we do for those in the nursery.**
- We are allowed to sing again and there will be hymns and congregational singing!
- Be gentle with each other passing the peace; we are all navigating in new waters, so to speak, so some persons may still wish to bump elbows, gently bow, while some will simply touch hands. These are individual choices which are cued through body language.
- You may sit where you choose. There are no longer limitations on capacity or requirements for social distancing.

COMMUNION

- **We will continue for now to serve only bread** in the pattern we have established in the last few weeks: I will come down the central aisle with the paten and serve you where you are standing as opposed to bringing people forward to the altar rail.

Sunday, September 5

The Fifteenth Sunday after Pentecost

11:00 am Holy Eucharist, Rite Two
also livestreaming at
